

# THE HÄSTHOLMEN HARBOUR

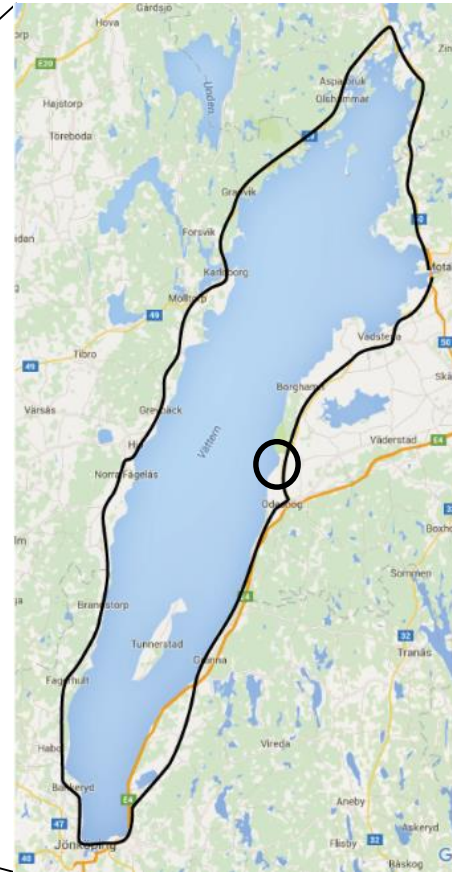

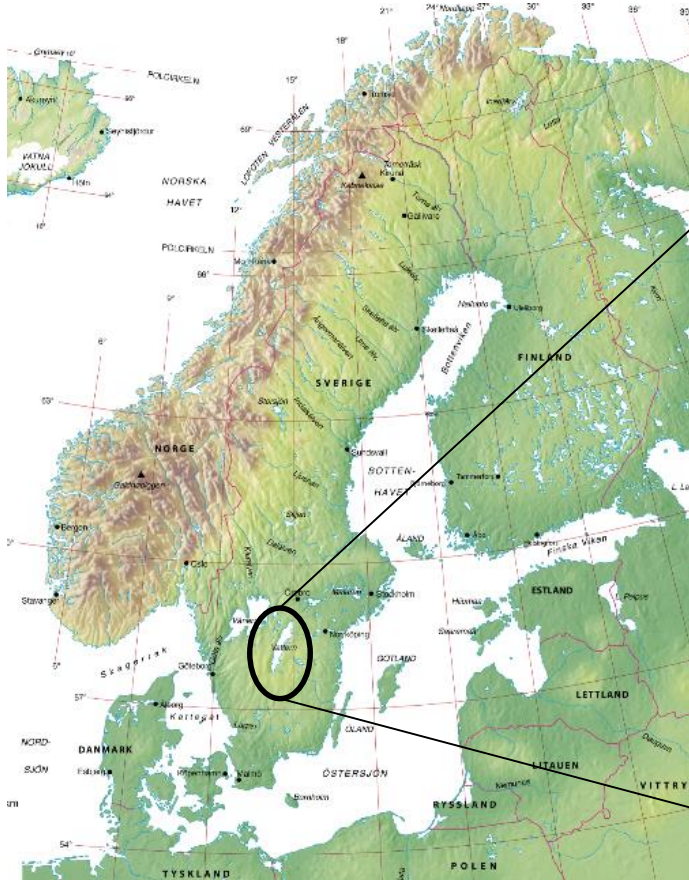

<https://www.youtube.com/watch?v=8hrXUVol7Dk#action=share>

# LOCATION

- Management of the port is included in the municipal real estate company
- The Board has representatives from the village Hästholmen.
- The operation of the port is carried out in co-operation between different actors.
- A reference group of associations and village communities in Hästholmen are involved when decisions are taken.

# CAMPING

# **BUILDING FOR CLEANING OF FISH FOR NON-COMMERCIAL FISHERMEN MANAGED TOGETHER WITH FISHING CLUB AND HÄSTHOLMEN PORTS FISHING ASSOCIATION**

## RESTAURANT FOR OUR VISITORS (COMPANY OWNED)

## DIVING MANAGED TOGETHER WITH DIVING ASSOCIATIONS AND COMPANIES

## **BOATS AND SPACES FOR BOATS ORGANIZED TOGETHER WITH THE LOCAL BOAT CLUB**

- Work actively to seek project funding
- Applied for EU funding to fix the pier and enhance the port with places for more boat.
- Support from FLAG Vättern for different projects:
  - Plan for the development of the port
  - Ramp with warm-up device
  - Construction of building for cleaning of fish
  - Restoration of the traditional boat houses

# CRAYFISH COOKING COMPETITION

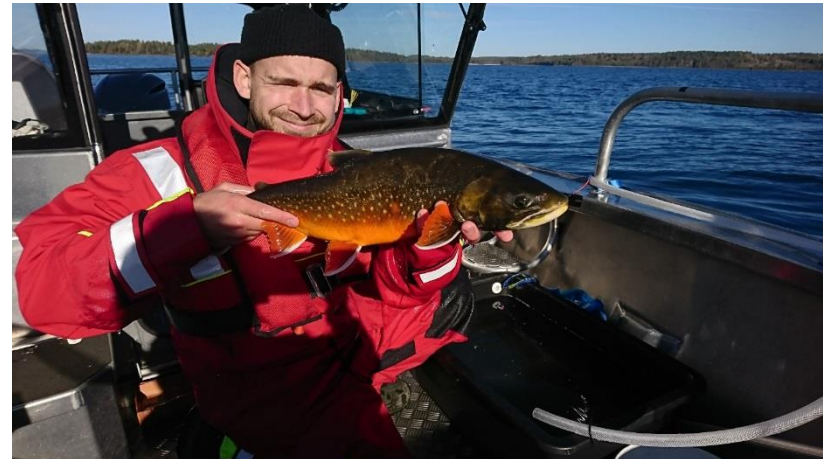

*Fillets of salmon.*

*Some new delicious dishes made from burbot, a fish that is mostly used as crayfish bait in Lake Vättern.*

*The arctic charr, well known by it's beauty. A fish that thrives in cold deep waters.*
